A BIG THANKS to our Friday night Cooking Crews! We really can't make Friday nights happen without everyone's help! Why don't you get a few friends together and sign up to be a fabulous Cooking Crew. If you're solo, not a problem…we can always put you on a Cooking Crew.

Join us for the next Phoenix Club General Meeting. It is always on the third Wednesday of the month at 7:00pm. In May it will be on the 19th. Topics of conversation include the club financials, old business of what has been completed and what is still a work in progress as well as new business and upcoming events. It's also your chance to ask questions to the officers and board members as well as let us know what you would like to see at the club or what you would like to see more of…

If you haven't been receiving emails promoting our events or receiving other reminders, please fill out the Update Membership Information form at the bottom of the page. We don't want you to miss out on any more fun events. You can turn that into the bartenders or to one of the board members.

As always, here are just a few reminders:
When leaving the club, please be sure to clean off your table and wipe it down before the next member takes a seat.
Please remember to have respect to other members and when sitting at the bar, have respect towards the bartender and no profanity needs to be used at the bar.
Please don't forget to wear your masks when not seated at your table.

Happy Mother's Day!
