MESSAGE FROM THE PRESIDENT HAPPY 2016 TO ALL DEADLINE TO PAY DUES FOR 2016 IS MONDAY FEBRUARY 29TH

Because of printing and postage costs we do not send out dues notices. Please inform anyone you may know that does not get to the club for a Newsletter or does not have access on line to check our website or our facebook page. We would like to keep all of our membership intact for 2016.

I am pleased to report to our membership that the club is in the black following the year 2015. This past year has seen improvements in things like much needed fixtures for the ladies washrooms, a new ice machine and ceiling over the bar. All of our interior light bulbs have been replaced this past year in order to reduce utility costs. Many more improvements are needed in areas like electrical appliances and basic club maintains to keep the club up to date. We are constantly looking for ways to cut and reduce costs while still providing good service to our members. It's always a game of balance. Sometimes we succeed and sometimes we do not but rest assured we are always trying.

In this first newsletter of the year I would like to announce your starting lineup at The Phoenix Club for 2016. **Club Appointed President -Craig Bonifas, Elected Officers are, Vice President- Dan Hines, Recording Secretary- Betty Chandler, Financial Secretary-Jon Wullbrandt. The three 2016 Elected Board members are John (Popeye) Miles** who was also selected as this years Chairman of the Board, **Fred Silva and Margie Thorgensen.** I would like to thank **Mike Bivins** for sitting in on the Board of Directors for the past year. Mike was kind enough to fill in for **Board Member Joe Matchett** who passed away from cancer in 2015.

November 2015 was kicked off with our annual Turkey Raffle. It's a wonderful thing to see the Club full of people having fun, enjoying themselves and supporting the club. **Thank you to Popeye and ALL THE MANY VOLUNTEERS** that helped out with raffles and in the kitchen serving hungry people. Thank you to club manager Jules who orders all the food from the different vendor and the raffle paddles. There is a lot of work that goes into the day but it's always a good one for the club

The Annual Wrapping Party was another success in November too. The club is filled with so many good people selflessly giving of them selves so that others may have a nice Christmas. That is what a community is suppose to do. For one glorious morning in November each year the club turns into Santa's Work Shoppe **Thank you Martha Schuetz , Betty Chandler and all your many many elves for your hard work and wonderful efforts !**

There was a Holiday Kick Off and Pizza Party in November too. We figure it's a fun way to get the kids excited about the coming Holidays. What's better than hand made pizzas, ice cream and a DJ for entertainment? Thank you to Jim and Denise Stumpenhorst, Timmy White and Jules Owen with special thanks to Debbie Hunley. Our DJ Debbie makes the night special by playing games with the kids and wearing them out on the dance floor.

Extra help is always appreciated but even more during the holidays. There is so much to do it can be overwhelming to say the least. So let me start at the beginning and thank everyone who helped with the 12 foot Christmas tree in the dining room. It was assembled with the help of **Jim and Denise Stumpenhorst, Cheri White and Donna Hartman.** It was nicely decorated

continued on following page

with the help of **Betty Chandler and Don Clemen**. I know we must have done a good job on the tree because of all the compliments and photos that were taken using our Christmas tree as the background.

I'd like to thank **Timmy White and Crew**, for the Wings and Tots Night in November as well as the steak and homemade soup night in December. Timmy is stepping back from his position as Vice President to take a break. As you can tell from the calendars he is not about to disappear as he has a casino bus trip scheduled in March and spaghetti dinner in late January. Over the course of the past 8 years Timmy has been a Board Member, Chairman of the Board, Vice President as well as President. Timmy also involves himself in other areas to help out the club. Such as....His Fish Fry Crew, His Steak Fry Crew, Burgers and Chops, Wings and Tots Night, Spaghetti Dinner Night, Pizza Night, Casino Bus Trip, Cooking for Men's Outdoor Bowling league, Helping with cooking for the Picnic, Turkey Raffle, Kids Christmas Party and a few more things I'm sure I've forgotten about. Timmy also involves the rest of his family in volunteering. Mrs. White, or as I call her "Mom", has good reason to be very proud of her family. They were raised the right way.

Our Children's Christmas Party was a big hit too. Over 80 children were signed up for the party. Thank you to all the parents, grandparents and children who spent the afternoon with us at the club. Seeing so many little happy faces made all the work for that day worth the while. Thank you very much to everyone who volunteered to help out either entertaining, kitchen help or on gift duty. Kitchen help included **Timmy & Cheri White, Cindy Fitzpatrick, Heather Smith and Jules Owen**. Special thank you to **Club Manager Jules** for doing all of Santa's gift shopping for him. Entertainment at the club included Santa's dancing elves. **Mrs. Santa (Joan Dodson), Elsa & Olaf aka (Holly Pooler, Linda Dady) and Old St. Nick (Mike Lungren)**. Gift Help, **Carol (of the bells) Kartheiser**.

What a wonderful time everyone had on Christmas morning at the club. So many happy people with big smiles and in a festive mood. It was a pleasure to be there. Christmas morning at the club could not be possible without the volunteers it takes to put on that event each year. Tom & Jerry's on Christmas Morning has been a very long standing tradition at the club. Plus, as far as I know, no other club in town does what Phoenix does on Christmas Morning. Thank you very much to our sun rise Christmas crew including **John (Popeye) Miles, Mark (Yogi) Smith, John Armstrong and Jimmy & Sara Gates**. Special thank you to our volunteer bartenders of the morning **Tammy Leighton-Crane and Christina Deuchler**.

EASTER EGGS AT THE BAR

Starting Ash Wednesday February 10th we offer our annual Easter Eggs at the bar. Each one filled with candy. Some contain instant prizes and each one has a raffle ticket for prizes at the end of the game which will be the Saturday before Easter. Eggs are a buck a piece and a listing of prizes will be available come February. Everyone loves those eggs.

I really hope people reading this see a pattern here. Volunteers! The events at the club could not be possible without the people who step up to help. This includes just about everything from Officers at the club, to fish fry crews, bingo, all the Tuesday night specials, special event breakfasts, steak fries, pizza nights outdoor bowling, the picnic, turkey raffle and so many more. None of this is possible without volunteers to help put it on. I've said it before, Our bartenders and kitchen crew make Phoenix a business but it's the volunteers that make it a club. If you have volunteered before you know exactly what I mean and if you have not maybe it's your turn. It also helps a lot when established members pass down the idea of volunteering to the next generation so that the future of the Phoenix Club lives on.

There are certain members we can always count on for repairs and extra help at the club. Good people like **Ray Melby, John Hettinger, Michael Edwards and Randy Korstick**. I apologize if I have forgotten anyone because I know there are more.

Thank you to **Joe Szilage** for running our Texas Hold-em tournaments for the club. If you like to play cards and are a good at bluffing then give the tournament a try. Most people who play come back for more. Joe has another one scheduled for January 23rd.

Thank you to **Popeye and Yogi** for running our Bears Tailgate Parties this football season. While we had people show up for our tailgate parties the Bears themselves never really got their rocket off the ground. It really helps the turnouts of our tailgate parties when the Bears have a winning season. I do remember one game this year that was fun to watch. They managed to beat a team from up north. The name escapes me....Green something?

Now that I've gotten most all of my rambling words out of the way we can get back to the business of enjoying our new year. I hope it's a good one. We have many things to look forward to. Such as the Blackhawks repeating, baseball season, outdoor bowling season, St Patrick's Day, an early Easter and much much more! Lots of exciting things going on at the club all year long so visit often and volunteer when you can.

Most Sincerely
Craig F. Bonifas
Club President

SPAGHETTI DINNER

January 30th

Mama mia, how about a nice Italian dinner! It's Italian comfort food in the middle of Winter and you're invited. So sit down to the table and tuck in a napkin already. You're nothing but skin and bone....so eat. Timmy White and his pasta mafia will make dinner for us all. Spaghetti with your choice of meatballs or Italian sausage. Plus some nice toasted garlic bread, a bit of salad and you're good to go. Just \$8.00 per person so there should be no squacken about it. However, should you have any complaints we will let you speak with our associates Jimmy (Knuckles) Nunsio and his brother Tony (Short Fuse). They would be happy to take you in the back room and straighten out any unfortunate misunderstandings that may arise during the evening. I'm sure we can all come up with a nice solution that may or may not involve a sack of quick drying cement and a lovely one way ride to the river. Serving time is from 6 to 8pm. It is my strong recommendation that you are not late. Be der . Capisce?

WII BOWLING TOURNAMENT

On Sunday February 21st we will have our annual Wii Bowling games. Normally it's the Sunday after Super Bowl but that Sunday is the 14th which is Valentine's Day. So we figured all you romantic types would rather spend the day with a loved one instead. We are merely looking out for our members and changing the bowl till the 21st. This is an adults only event and you must be 18 years or older to play. There is a \$5.00 entry fee per person. The club will provide a lunch entrée and we ask everyone to please bring a dish to share. Cash prizes will be awarded at the end of the tournament so get your game faces ready. Sign up begins at Noon. There will be a pre sign up sheet in the bar several weeks before the tournament to ensure your spot for the games. What's better than beer, food and afternoon of virtual bowling?

MONDAY NIGHT BINGO 2016

OPEN TO THE PUBLIC

BINGO IS BACK !!! After taking a short Holiday break we're bring Bingo back for the Winter. Starting Monday January 4th Bingo will be available every Monday. Starting time is 7pm with food available at 6pm. Our crowds have been averaging between 70 and 80 people so we have a good group of people having themselves a good time. As good as you can get for a Monday night anyway. Starting in the fall we have added a new addition to Bingo. A wheel spin that could turn the last game of the night into a \$500.00 pot. Come in to find out details. Bingo is open to the public so for added fun bring in all your bingo buddies and have a good time. Don't forget your bingo good luck charms.

EARLY LENT & EASTER IN 2016

Believe it or not Lent starts extra early this year. In fact Ash Wednesday is February 10th. No sooner do you get those Christmas decorations put away and you need to hide Easter eggs. I meant to call the Pope about this but I have dropped the ball so it's completely my fault. Since our Friday Night Fish Fries are usually busier during lent we will try to make sure we have extra of everything on hand. As always please be kind and patient to everyone working in the kitchen on Friday nights as they are all volunteering their time to help provide you with your meal. We could not do any of this without our volunteers.

JUMERS CASINO & HOTEL

2 Day Casino Bus Trip on March 19th & 20TH

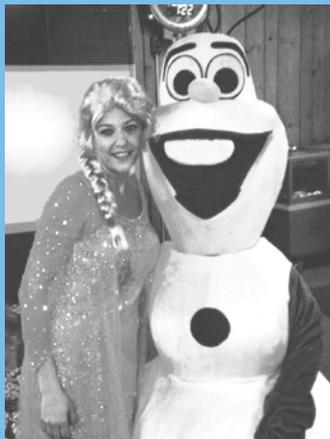

On Saturday March 19th we hit the road for a 2 day bus trip to lovely Rock Island Il.

Timmy White has put together a get away package I think you'll find fun and affordable.

Departing on Saturday at noon you'll ride in comfort on a coach bus. Snacks and beer will be available on the bus. You also get \$25 on your players card and an overnight stay at the casino hotel. Wake up on Sunday to a free breakfast buffet. The free breakfast must be taken advantage of by 10am on Sunday. Then do a little more gambling before returning to the Phoenix Club around 3pm. The package price is \$200 per couple and must be paid in full when you sign up. Sign up and information sheets are available on the bulletin board in the bar room at the club. There is only room for 25 couples on the bus so get them before they're gone.

If you plan to leave your car at the Phoenix Club while on the bus trip please plan to park along the fence in the East lot in the back. Thank you.

A MESSAGE FOR ALL OUR LIFETIME and Retired Members 2016

Thank you to all our Members that have Retired or Lifetime status who contributed a half years dues to the club in 2015. Also, thank you to those of you who made a contribution in the name of a past member. Every bit helps and is appreciated.

Lifetime and Retired Members make up nearly 25 percent of our entire membership and pay no dues at all. Lifetime members have this honor bestowed on them because of their outstanding achievement to our club. Retired members are entitled to their free dues because of longevity to the club and their senior status. However, once again we ask for your help. It is again the beginning of dues time and if you could see your way to contributing even half a years dues it would greatly help out the club and keep expenses paid while we try to spruce the place up a bit too. Half a years membership for 2016 would be \$30.00. Each year, for the past few, a thank you poster to recognize contributors is hung close to the bar to thank those who helped out. It would be wonderful to see it full next year. Or if you would like to make a contribution in the name of member who has passed away you will see their name displayed on our poster in red. We realize that not everyone will be able to help out with this request but we hang the poster and add names to thank these people for their extra help.

VALENTINE'S DAY PARTY WITH THE SHAGADELICS Saturday February 13th

The theme for this years Valentine party is 70s music and disco. That's right! **The Shagadelics** are coming for all you hip groovy cats. For those of you who are completely square, **The Shagadelics** are performers of music from back in the day when you could go out on the dance floor to shake your goove thing and boogie the night away. We are still working out the food for the evening but we will get our act together soon. Food for the evening will be announced and posted as soon as it's finalized. In the mean time you can get ready by asking your stone fox for a date on the 13th of February. According to the Bay City Rollers that would be S-A-T-U-R-D-A-Y NIGHT. Now get yourself a perm, put a pick in your fro, iron your bell bottoms, break out the mini skirt or your psychedelic hot pants, dust off those platform shoes and keep on trucken,

So don't be such a spaz, more info to come soon! Can you dig it? Smell you later.

BREAKFAST WITH THE EASTER BUNNY COMING IN MARCH

PHOENIX CLUB BLOOD DRIVE February 27th 2016 8:00am till Noon

On the morning of **Saturday February 27th** from **8:00am till noon** our club will hosting a **blood drive**. The nice people from **Heartland Blood Centers** will be on hand to set up their equipment at the club to take your donation. Heartland notified me in January that they were having a tough time filling spots for blood drives so I told them our group would help. This is a great way to help out the people in our community as Heartland provides blood products to 65 hospitals in the Chicago area. So your blood will go to local hospitals to help those who may be sick or injured. We need donations from men, women, and young adults, at least 16 years of age, who are able to donate with their parents (or with a signed permission slip available at www.heartlandbc.org). The blood bank is also asking for **Red Cell Donations**. If you have the blood types of **A-, O or B** they are in need of your red cells. This process takes about 30 minutes longer then a whole blood donation. There are specific height and weight requirements for red cell donors, so you may want to ask about that when you are making your appointment. **Heartland Blood Centers** will also have a snack and refreshment center set up for all donors. Each donor will receive a **free Heartland orange fleece ¼ zip jacket** for your generous donation The club will also have a special **Chicago Blackhawks raffle** for everyone that makes a donation. To set up an appointment please see the bulletin board in the bar room and sign up for a time slot. A photo ID is required with all donations. Give the gift of life.....**donate blood at the club on Saturday February 27th from 8:00am to noon.** It's the only gift that actually does come from the heart.

TUESDAY NIGHT WINTER Burgers & Chops Specials

A taste of summer in mid winter. Actually we should call it Burgers, Chops & Chicken because we grill a mean chicken breast sandwich on the grill too. These meals are fantastic, tasty and a better value than you'll find anywhere else. The burgers are ½ pounders and the chops thick and moist. With each order you get some hot fries and your choice of cole slaw or apple sauce. Look for one scheduled in January and February. Ask for a menu so you can see the prices. The clubs prices are less expensive than any fast food restaurant and with better food. Try it out and you'll be back.

The colder the weather the longer it takes to cook on the grill so please have patients when waiting for your food. It's worth the wait.

Check the Club Calendars for Dates.
