PRESIDENT'S MESSAGE

PLEASE FRIEND THE CLUB ON FACEBOOK

Your First Dues Reminder for 2018

As a reminder for new and veteran members alike, we do not send out dues notices in the mail. It's costly and should be unnecessary as we all know your phoenix club membership is a subscription that end each year. We count on our membership to be intelligent enough to renew it yourselves. We begin collecting dues for the new year in October and end with the deadline which is ALWAYS the last day in February. That gives you approximately 5 months to pay your dues. Also a reminder to give your key card to no one. Not your spouse not your friend not any family member. NO ONE. Your key card belongs to you and to you alone. If your guest needs to leave the club and then come back in it is up to you to let them back in the club. Giving your key card to someone else is a violation of the BY-LAWS and is subject to penalty or membership termination

MEMBERSHIP DRIVE ON SATURDAY OCTOBER 21st

If you have a family member or friend who is interested in joining the club this would be the day to do it. For the price of a years membership you will get all of the rest of 2017 plus the full calendar year of 2018. Please take advantage of this as the Board of Directors would like to crack down on members who bring a guest in more that 3 times in the calendar year. There is a BY-Law that states if any member bring in a guest 3 times within the same calendar year that member is required to get the guest to join. This includes any quest over the age of 21 be it your friend, boyfriend, girlfriend or family member. It's up to the members to abide by the rules of the club you chose to join.

Members may also begin paying their dues for 2018 on or after the date of October 21. The 3 classifications of key cards are, Members, Spouses and Widows or Widowers cards.

Club Elections Coming in November

I know it's still the top of September but I need to bring up the coming of elections on Wednesday November 15th. A Chairman for the nomination committee will be selected soon after which said chairperson will work on adding 6 more people to the nominating committee. The names of the committee will then be posted on the bulletin board in the bar room so that anyone who might be interested in running for one of the club positions can seek out anyone on the nominating committee to let them know of your intentions to run. The nominating committee may also seek out members they feel would be good candidates for certain positions. Officers terms are one year and elected each year. Board members are elected for three year terms. Position descriptions are available upon the asking. To qualify to run you must be a member for a minimum of 3 years and in good standings with the club. You may not be a blood relative of an officer or board member already elected or appointed. You may not also be a spouse of an employee of the club. What we are looking for are good candidates who have the time to contribute to the club. Often times members get enthused about running for office and once elected do little to nothing throughout the year. If you want to be elected, please want to help. The officers and board members of the club need to be an example for the rest of the membership. This includes volunteering as well as showing up for events that we hold. Board members come to the board meeting held on the second Tuesday of each month to go over financials for the previous month. Board members are needed to give their opinions on how to save the club money and

continued on following page

offer ideas on how to increase revenues. Officers of the club have more specific job duties especially true for the recording secretary and Financial Secretary. Fortunately for us we have good people in both positions and I thank them for that.

Snow Plow Bids

Yes it's that time of year again too! We are looking for and accepting snow plow bids for the coming winter. We always prefer to give any business to a club member first. If you have a snow plow business or know of someone who does please get us a bid. We would want to work with someone who is licensed and bonded.

Summer Fish Fries

One pleasant surprise of the summer of 2017 has been our Friday Night Fish Fries. All have been well attended with plenty of new faces at the club. That is a very good sign. Thank you once again to all of our fish fry crew volunteers. There is that word again, VOLUNTEER. We would not have fish fries at all if not for the many volunteers crews. If you and a group of 7 would like to form a fish fry crew please let us know. We can tell you what you'll need to do and positions to fill. We can even train you.

Thank you to our Men's and Ladies Outdoor Bowling Leagues

First I want to thank **Bob Becker and Don Clemen** for taking on the task of Running Men's Outdoor Bowling this season. Not to forget **Mary Kluber** who took charge of the ladies league. It's a lot to organize and much to keep track of. Thank you to **Timmy White** for all the great meals he prepared for the Men's bowling league. I think the men bowlers enjoy the food as much as the bowling. The Summer outdoor bowling events are always a good time. Thank you to the volunteers who make it happen.

Rib / Swamp Water Night plus Outdoor Bowling in August

The evening of August 26th was a success because of the following people. Please read this to understand the amount of help (volunteers) it takes to put on events for our members. Thank you to **Marge and John Stumpf** for cleaning and organizing the outdoor patio area just before the outdoor bowling event in August. If you notice that it is swept up and very neat it is because of Marge and John. They have been doing this for bowling events and also tailgate parties so thank you both for your contributions. Thank you also to **Denise and Jim Stumpenhorst** for

preparing all the ribs that were to be cooked for our rib and swamp water night. They stayed after fish fry of the 25th season and wrap them all for the following day. Thank you as well to **Cindy Fitzpatrick** for slow cooking all the ribs in the oven on Saturday the 26th plus making the sides for the meal and to **Timmy White** who came in to finish them off on the grill with some barbeque sauce. Also helping out in the kitchen that night was **Sara and Jimmy Gates** who are always willing to step up and give of their time and for that we thank you. Additional thank you to **Heather Smith** for helping out with our raffle that evening.

I am still not finished. Thank you to **Diane Rudow** and her family for running outdoor bowling on the night of the 26th. **Thank you Keven Rudow, Rich Nolte and Robin (Harps Friend) Reder.**

The swamp water went over big too even though no one knows just what's in it. We even had to make more! Just goes to show you that people will try something different....even when it's called SWAMP WATER.

Thank you for the golf!

Thank you to **Popeye and Yogi** for organizing the golf outings for the club this summer. I always get to hear how much fun they have so I try to direct the people with the compliments to the people who deserve to hear them. Thank you **John Miles and Mark Smith.**

Car Show

I am sorry we were not able to schedule a car show for this year. We were never quite certain when the road and parking lot work was to be complete. In fact the striping in the parking lot has yet to be done. With that I could not post a sign-up sheet to bring vehicles in because of the uncertainty of completion. Still there is always next year. I know how our car people enjoy the event.

Finally

The Club Calendars are full of events for September and October and we hope to see them all well attended. Until then remember to keep your stick on the ice and the frost off your pumpkins.

Sincerely

Craig F. Bonifas

Club President

THANK YOU TO ALL OUR PHOENIX CLUB BLOOD DONORS AUGUST 12TH 2017

I wanted to thank everyone who came out to donate at our annual blood drive in August. Heartland Blood Centers have been down on donations lately and really needed our help. In the true spirit of The Phoenix Club we came through and filled all the time slots plus more. Although we never get to see the end result of our donations it is still gratifying to know that we have done something good to help others. In this case a gift directly from the heart. A sincere thank you to everyone who came in the spirit of giving. Thank you to all the extra walk ins we had this year too. It really put us over the top!

OCTOBER 21ST
PHOENIX CLUB HOMECOMING DAY

Craft Show, Membership Drive, Pig Roast
Outdoor Bowling

Here is a day of fun that has something for everyone. **On Saturday October 21st** we will be hosting our Annual all day Homecoming event. First in the day is our craft show and sale. This is for all our creative members and non members who are talented at making those homemade craft items. This is your opportunity to display and sell your work. This event will be advertised in church bulletins, signs in the neighborhood and the community calendar in the Beacon News (if possible) and on several area facebook sites. The craft show will be advertised as open to the public, for buyers and sellers alike, and be set up and held downstairs. If you or someone you might know wish to exhibit there will be a room layout with tables on the bulletin board in the bar room for you to sign by mid September. There will be a display table cost of \$10 per table. Please do not bring in extra tables. **The Craft Show & Sale will run from 9am till 2pm.** The downstairs will be open by 7:30 for you to set your things up. **Membership Drive...** On the day of October the 21st we will be having a membership drive and will be signing up new members throughout the day. If you have a family member or friend who is interested in joining the club now is the time. Also, If you have brought in a guest 3 times within the same year that guest is required to join the club by our own rules and by-laws. **On October 21st**, for the cost of a years dues a potential member can join and get the rest of 2017 as well as all of calendar year 2018. Your application must still pass the screening committee but being that we are waving a normal \$50 initiation fee it's a pretty good deal. As for dinner that evening we are planning on a pig roast. As you may or may not know it is an all day chore to slow cook a pig. You will be able to smell it cooking in our back parking lot the whole day through. The meal will include AuGratin Potatoes, Baked Beans, Old Fashion Cole Slaw and good ol Corn Bread. Advanced tickets are not necessary and dinner will be \$10.00 per person. We will also have a Bingo Ball Double Down drawing that day and a chance for you to win \$600.00. We will spin start up the bingo machine as soon as the board is sold out at to find the lucky winner. You do not need to be present to win.

Stick around after dinner for **Outdoor Bowling.** Hopefully we will have one of those perfect autumn nights to wrap up the evening outside bowling strikes under the stars. Since dinner will be sold to us this date you **do not need to bring a dish to share.** If anything if you would like to bring a dessert for all the bowlers to enjoy please do. Cost of Bowling will be \$10 per couple and paid back in prize money.

Please plan of spending the evening at the club with us for food and fun.

THE PHOENIX CLUB
ANNUAL TURKEY RAFFLE
SUNDAY NOVEMBER 5TH
AN ADULTS ONLY EVENT PLEASE

Without a doubt this is and has always been truly a fun day. **Don't forget to turn your clocks back one hour the night before** because you don't want to be late. The Phoenix Club Turkey Raffle is always the first among the clubs. We will have many more meats than just turkeys plus other fun raffles throughout the day. So plan on spending your Sunday at the Club with everyone else. The doors open at noon and raffles begin as soon as there are enough people in the club to get rolling. Get your supply of holiday meats and have a great time.

This is a day that we use as a fund raiser for our club and we would like as many members to come as possible. That is why we ask this to be an adults only event and as far as I know the only day of the year we ask that children do not come to the club. We have MANY family oriented functions throughout the year for you to bring children and have fun. The Annual Family Picnic, All of our themed Family Pizza Nights, Breakfast with the Easter Bunny. Breakfast with the Scarecrow in the Fall, The yearly Children's Christmas Party. Our Turkey and meat raffle with also have a variety of non meat prizes to be won as well so please plan on spending the day at the club.

In other news...
