Phoenix Club Picnic 2020 Cancelled

It is with regret that I announce the cancellation of this year's Phoenix Club Picnic. The Board of Directors thought it best for everyone safety and health to forgo the picnic on June 28, 2020.

In light of the COVID-19 pandemic we do not feel that we can offer a safe environment in which to have a crowd of people at Plowmen's Park. Special concerns were discussed about keeping children safe as they would gather to play in the blowup bouncers and other games where they would be close to one another.

I sincerely apologize for this cancellation. Canceling any event is never something we like to do. This pandemic is a strange situation to all of us and the Board of Directors is trying their best to make safe decisions for all club members. We hope to see our club back open soon and will do our best to comply with any health guides we are given.

Sincerely,

Craig F. Bonifas
Phoenix Club Vice President

The Phoenix Club Board Meeting May 13, 2020

All Boards Members and Officers were present along with our Bar Manager Jules Owen.

Most of the meeting was taken up with discussion of the Phoenix Club going forward. With numerous guidelines from the state and the city to keep everyone safe, we reviewed these new guidelines. Topics included hand sanitizer stations, rearranging seating in the club to maintain social distancing, how to arrange an outside dining area, limiting the number of people in the club, frequent sanitizing of high traffic areas, and how to put numerous other new safety regulations into effect at the club.

Also discussed was our menu. With ever-increasing food prices, we discussed streamlining our menu, keeping all our bestsellers and possibly making other items "specials" throughout the week.

After considerate discussion, it was decided to cancel this year's picnic. Because of the many safety concerns for our membership and their families who would attend the picnic, it was voted to cancel for this year.

Gratitude was expressed to our cooking and serving crew for the Friday curbside pickup which though May 13 (date of meeting) was very successful.

Going forward there will be many changes to the club that will affect the way things are done but we look to our membership to help keep the Phoenix Club the great place it has always been and will continue to be.

In Memorium

We remember
our recently departed members:

Bill O'Connell
Marty Ayala
John Johnson
Carolyn Clemen
Al Heriaud
John McGray
Richard Hammond

We offer the families and friends
of these members
our deepest sympathies.

Happy Father's Day
to all the Fathers of the
Phoenix Club.
